PREFACE.

The legislation relating to the Housing of the Working Classes in Great Britain is now contained in half a dozen statutes. Nearly a third of the sections of the principal Act have been repealed or amended, particularly by the recent Act of 1909, which has also materially affected the intermediate amending Acts.

Under these circumstances it is thought that a useful purpose may be served by collecting the numerous statutory provisions and by arranging them in such order as will make them readily accessible to those whose duty it is to administer, or to advise upon, them.

The innovation introduced by empowering local authorities to make Town Planning Schemes will justify the Second Part of the treatise.

PART II.

TOWN PLANNING.

Local authorities.—The local authorities having power to submit town-planning schemes are in the administrative county of London, the London County Council (a); in boroughs the borough councils; in urban districts the urban district councils; and in rural districts the rural district councils (b).

Description and object of Town Planning Schemes.—Where any land is in course of development or appears likely to be used for building purposes, it is now competent to a local authority to submit a scheme as respects such land with the general object of securing proper sanitary conditions, amenity, and convenience in connection with the laying out and use of the land, and of any adjoining lands (c). This is called a Town Planning Scheme, which, in order to be effective, requires the sanction of the Local Government Board.

Land likely to be used for building purposes includes any land likely to be used as, or for the purpose of providing open spaces, roads, streets, parks, pleasure or recreation grounds, or for the purpose of executing any work upon or under the land incidental to a town planning scheme, whether in the nature of a building work or not. The decision of the Local Government Board, whether land is likely to be used for building purposes or not, is final (d).

(a) (1909) s. 66 (1).
(b) (1909) s. 65 (1). See as to Scotland, p. 189, post.
(c) (1909) s. 54 (1). In some cases the scheme may be extended to land already built upon or land not likely to be used for building purposes, as to which, see p. 127, post. As to the exclusion from this power of neighbouring lands which are in the county of London, see p. 181, post.
(d) (1909) s. 54 (7).
Preparation of the scheme.—If the authority satisfy the Board that there is a prima facie case for making a scheme with reference to any land within or in the neighbourhood (e) of their area, the Board may authorise the local authority to propose a scheme, or may authorise them to adopt, with or without modifications, any such scheme proposed by all or any of the owners of any land with respect to which the local authority might themselves have been authorised to propose a scheme (f); and the scheme may also be extended to a piece of land already built upon, or to a piece of land not likely to be used for building purposes, which is so situated with respect to any land likely to be used for building purposes that, in the opinion of the Local Government Board, it ought to be included in the scheme; and the Board may also authorise the inclusion in the scheme of provisions for the demolition or alteration of any buildings thereon so far as may be necessary to carry the scheme into effect (g).

Approval of scheme.—The scheme has no effect unless it is approved by the Local Government Board, and that approval may be refused except with such modifications and subject to such conditions as the Board may impose (h).

The effect of approval is the same as if the scheme were enacted in the Act (i).

Conditions precedent to approval.—The Board must give notice of their intention to approve the scheme. This notice is to be published in the London or Edinburgh Gazette, as the case may be.

If within twenty-one days of such publication any person or authority interested objects in the manner to be prescribed (k), the draft of the Board’s order is to be laid before each House of Parliament for a period of not less than thirty days during the session of Parliament.

If during this period either House presents an address to His Majesty against the draft, or any part of it, no further

(h) (1909) s. 54 (4).
(k) See p. 182, post.
proceedings can be taken on it. But this does not prevent a new draft scheme being made (l).

Variation or revocation of scheme.—A scheme may be varied or revoked by a subsequent scheme prepared or adopted and approved in the same way as the original scheme. Moreover, the Board may, on the application of the responsible authority (m), or of any other person appearing to them to be interested, revoke by order a scheme if they think that under special circumstances it should be revoked (n).

Contents of schemes, and regulations therefor.—A scheme will contain general and special provisions.

General provisions.—The Board may prescribe a set of general provisions, or separate sets of general provisions adapted for areas of any special character, for carrying out the general objects of town-planning schemes, and in particular for dealing with the following matters:—

1. Streets, roads, and other ways, and stopping up, or diversion of existing highways;
2. Buildings, structures, and erections;
3. Open spaces, private and public;
4. The preservation of objects of historical interest or natural beauty;
5. Sewerage, drainage, and sewage disposal;
6. Lighting;
7. Water supply;
8. Ancillary or consequential works;
9. Extinction or variation of private rights of way and other easements;
10. Dealing with or disposal of land acquired by the responsible authority or by a local authority;
11. Power of entry and inspection;
12. Power of the responsible authority to remove, alter, or demolish any obstructive work;
13. Power of the responsible authority to make

(l) (1909) s. 54 (4).
(m) See p. 180, post, for meaning of “responsible authority,"
(n) (1909) s. 54 (6).
agreements with owners, and of owners to make agreements with one another;

(14) Power of the responsible authority, or a local authority, to accept any money or property for the furtherance of the object of any town-planning scheme, and provision for regulating the administration of any such money or property, and for the exemption of any assurance with respect to money or property so accepted from enrolment under the Mortmain and Charitable Uses Act, 1888;

(15) Application with the necessary modifications and adaptations of statutory enactments;

(16) Carrying out and supplementing the provisions of this Act for enforcing schemes;

(17) Limitation of time for operation of scheme;

(18) Co-operation of the responsible authority with the owners of land included in the scheme, or other persons interested, by means of conferences, etc.;

(19) Charging on the inheritance of any land, the value of which is increased by the operation of a town-planning scheme, the sum required to be paid in respect of that increase, and for that purpose applying, with the necessary adaptations, the provisions of any enactments dealing with charges for improvements of lands (c).

The general provisions, or set of such appropriate to the particular area, are to take effect as part of every scheme, except so far as provision is made by the scheme as approved by the Board for the variation or exclusion of any of those provisions (p).

All such general provisions prescribed by the Board are to be laid as soon as may be before Parliament; and the Rules Publication Act, 1893, applies to them as if they were statutory rules (q).

*Special provisions.*—Besides the general provisions, each scheme is to contain special provisions for the following purposes:

(1) For defining as prescribed by regulations (r) the area to which the scheme is to apply;

(o) (1909) s. 55 (1), and Sched. IV.  
(q) (1909) s. 64.  
(p) (1909) s. 55 (1).  
(r) See p. 181, post.

(2) For defining in like manner the authority who are to be responsible for enforcing the observance, and for the execution of any works which under the scheme or the Act are to be executed by a local authority;

(3) For providing for any matters which may be dealt with by general provisions;

(4) For otherwise supplementing, excluding, or varying the general provisions;

(5) For dealing with any special circumstances or contingencies for which adequate provision is not made by the general provisions; and

(6) For suspending, so far as necessary for the proper carrying out of the scheme, any statutory enactments, by-laws, regulations, or other provisions, under whatever authority made, which are in operation in the area included in the scheme; but if the scheme suspends any enactment contained in a public general Act the scheme does not come into force unless a draft of it has been laid before each House of Parliament for a period of not less than forty days during the session of Parliament, and if either of those Houses, before the expiration of that time, presents an address to His Majesty against the proposed suspension, no further proceedings can be taken on the draft, without prejudice to the making of a new scheme (5).

Restrictions on the lands affected by schemes.—The restrictions which are imposed upon the acquisition or appropriation of lands in any scheme or order under the Housing Acts apply equally to a town-planning scheme. These restrictions have been fully stated elsewhere (t).

"The responsible authority."—The term "the responsible authority" is used in the Act to denote the authority who by the scheme are to be responsible for enforcing the observance, or for the execution of any works which under the scheme or the Act are to be executed by a local authority (u).

Procedure for Town Planning Schemes. 131

Scheme affecting more than one authority.—It has already been stated (a) that the land included in a scheme pro-
pounded by a local authority may be land within their area, or land in the neighbourhood of their area, but within the area of another authority.

In such a case the responsible authority may be, as the Board directs, one of the following, namely:

One of those local authorities; or

For certain purposes of the scheme one local authority, and for certain purposes another local authority; or

A joint body constituted specially for the purpose of the scheme, in which case all necessary provisions may be made by the scheme for constituting the joint body and giving them the necessary powers and duties (y).

Exception as to land in London.—To the above an exception is made in the case of London. Except with the consent of the London County Council, no other local authority may prepare, or be the responsible authority for, a scheme which affects land in the county of London (a).

Procedure previous to approval of scheme.—The Local Government Board may make regulations for regulating generally the procedure to be adopted with respect to appli-
cations for authority to prepare or adopt a scheme; the preparation of the scheme; obtaining the approval of the Board to the scheme; and any inquiries, reports, notices, or other matters required in connection with the preparation or adoption or approval of the scheme or preliminary thereto (a).

These regulations will contain provisions (b):

(1) For the submission of plans and estimates (c);
(2) For the publication of notices (d);
(3) For securing that notice of the proposal to prepare or

(a) p. 127, ante, and see also s. 55 (8).

adopt the scheme shall be given at the earliest stage possible
to any council interested in the land (e);
(4) For submission to the Board of the proposed scheme,
with plans and estimates (f);
(5) For notice of submission of proposed scheme to the
Board (g);
(6) For hearing of objections and representations by
persons affected, including persons representing architectural
or archaeological societies or otherwise interested in the
amenity of the proposed scheme (h);
(7) For publication of notice of intention to approve the
scheme and the lodging of objections to it (i);
(8) For securing co-operation on the part of the local
authority with the owners and other persons interested in the
land proposed to be included in the scheme at every stage of
the proceedings, by means of conferences and such other
means as may be provided by the regulations (k);
(9) For defining the duty, at any stage, of the local
authority to publish or deposit for inspection any scheme or
proposed scheme, and the plans relating thereto, and to give
information to persons affected with reference to any such
scheme or proposed scheme (l); and
(10) For providing for the details to be specified in plans,
including, wherever the circumstances so require, the restric-
tions on the number of buildings which may be erected on
each acre, and the height and character of those build-
ings (m).

Procedure subsequent to approval of scheme.—The
Local Government Board may make regulations for regulating
generally the procedure to be adopted with respect to any
inquiries, reports, notices, or other matters required in
relation to the carrying out of the scheme or enforcing the
observance of its provisions (n).

These regulations will also deal with (o):

(e) (1909) s. 56 (2) (b).  (f) (1909) Sched. V. (2) (a).
(g) (1909) Sched. V. (2) (b).  (h) (1909) Sched. V. (2) (c).
(i) (1909) Sched. V. (2) (d).  (k) (1909) s. 56 (2) (a).
(n) (1909) s. 56 (1).  (o) (1909) s. 56 (1) and (2), and Sched. V.
Execution of Town Planning Schemes.

(1) Notice to be given of approval of scheme (p);
(2) Inquiries and reports as to the beginning and the progress and completion of works, and other action under the scheme (q);
(3) The duty, at any stage, of the local authority to publish or deposit for inspection any scheme, and the plans relating thereto, and to give information to persons affected with reference to such scheme (r); and
(4) The details to be specified in plans, including, wherever the circumstances so require, the restrictions in the number of buildings which may be erected on each acre, and the height and character of those buildings (s).

Enforcement and execution of approved scheme.—After giving such notice as may be required by the scheme, the responsible authority (t) have power:

(1) To remove, pull down, or alter any building or other work in the area included in the scheme which is such as to contravene the scheme, or in the erection or carrying out of which any provision of the scheme has not been complied with; or
(2) To execute any work which it is the duty of any person to execute under the scheme in any case where it appears to the authority that delay in the execution of the work would prejudice the efficient operation of the scheme (u).

The expenses so incurred may be recovered from the persons in default in such manner and subject to such conditions as may be provided by the scheme (x).

Disputes.—Disputes as to whether a building or work contravenes a scheme, or whether any provision of a scheme is not complied with in the erection or carrying out of any such building or work, are to be referred to the Local Government Board, and will, unless the parties otherwise agree, be determined by the Board as arbitrators. Their decision thereon is final and conclusive and binding on all persons (y).

Compensation by authority for property injuriously affected.—A person whose property is injuriously affected by the operation of a scheme is entitled to compensation in respect thereof from the responsible authority(s), but only subject to certain stringent conditions and limitations, namely:

(1) The claim for compensation must be made within the time (if any) limited by the scheme, not being less than three months after the date when notice of the approval of the scheme is published as prescribed by regulations of the Local Government Board (a).

(2) No compensation can be claimed on account of any building erected on, or contract made, or other thing done with respect to land included in a scheme, after the time at which the application for authority to prepare the scheme was made, or after such other time as the Local Government Board may fix for the purpose; but the provision does not apply as respects any work done before the date of the approval of the scheme for the purpose of finishing a building begun, or of carrying out a contract entered into, before the application was made (b).

(3) No compensation is payable if and so far as the provisions of the scheme are such as would have been enforceable if they had been contained in byelaws made by the local authority (c).

(4) If a person is entitled to compensation in respect of any matter or thing under these provisions, and also would be entitled to compensation in respect of the same under any other enactment, he cannot have compensation under both, and he is not to be entitled to any greater compensation under this Act than he would be entitled to under the other enactment (d).

(5) Lastly, property is not to be deemed to be injuriously affected by reason of the making of any provisions inserted in a scheme, which, with a view to securing the amenity of the area included in the scheme, or any part thereof, prescribe the space about buildings, or limit the number

of buildings to be erected, or prescribe the height or character of buildings, and which the Local Government Board, having regard to the nature and situation of the land affected by the provisions, consider reasonable for the purpose (c).

Assessment and recovery of compensation.—Any questions as to whether any property is injuriously affected in value within the above provisions, and as to the amount and manner of payment, whether by instalments or otherwise, of the sum to be paid as compensation, are to be determined by the arbitration of a single arbitrator appointed by the Board, unless the parties agree on some other method of determination (f).

The amount of compensation so determined may be recovered summarily as a civil debt (g).

Compensation on revocation of scheme.—If a scheme be revoked by an order of the Local Government Board, any person who has incurred expenditure for the purpose of complying with the scheme is entitled to compensation in so far as any such expenditure is rendered abortive by reason of such revocation (h).

Compensation to authority for betterment.—The effect of a scheme may be to increase in value some property. In such a case the responsible authority are entitled to recover from any person whose property is so increased in value one-half of the amount of that increase; provided that they make their claim within the time (if any) limited by the scheme, not being less than three months after the date when notice of the approval of the scheme is first published in the manner prescribed by regulations made by the Local Government Board (i).

Assessment and recovery of such compensation.—All questions as to whether any property is so increased in value, and as to the amount and manner of payment (whether by instalments or otherwise) of the compensation to which the responsible authority are entitled, are to be determined by

**Defaulting authorities.—**Failure to make or adopt scheme.
—When the Local Government Board are satisfied on any representation, after holding a public local inquiry (m), that a local authority

1. Have failed to take the requisite steps for having a satisfactory town planning scheme prepared and approved where this ought to be done;
2. Have failed to adopt any scheme proposed by owners of any land where such adoption ought to be made;
3. Have unreasonably refused to consent to any modifications or conditions imposed by the Board, the Board may make an order on the local authority accordingly; or in the case of (2) the Board, as an alternative, may approve the proposed scheme, subject to any necessary modifications or conditions, and thereupon the scheme will have effect as if it had been adopted by the local authority and approved by the Board (n).

The order may be enforced by mandamus (o).

**Failure to execute scheme.**—Representation may be made to the Local Government Board that the responsible authority have failed either to enforce effectively the observance of a scheme which has been confirmed, or any provisions of it, or to execute any works which under the scheme or the statute are required to be executed.

The Board may then hold a local inquiry (p), and if satisfied of the default may make such order as may be necessary (q).

The order is enforceable by mandamus (r).

Power to acquire land comprised in the scheme.—The responsible authority (s) may for the purpose of the scheme purchase any land comprised in it.

The purchase may be effected by agreement, or the authority may be authorised to purchase compulsorily in the same manner and subject to the same provisions (t) as a local authority may purchase or be authorised to purchase land situate in an urban district (u) for the purposes of Part III. of the Housing of the Working Classes Act, 1890, as amended by the Act of 1909 (x).

Where the land comprised in the scheme is within the area of a local authority but they are not the responsible authority under the scheme, the local authority may purchase or be authorised to purchase that land in the same way as the responsible authority (y).

Restrictions on power of acquisition.—The following restrictions which are imposed upon the power of acquiring land under the Housing Acts apply equally to the exercise of the powers under town-planning schemes, namely, the restrictions in favour of:

Ancient monuments and objects of archaeological interest (z);
Land which is the property of a local authority (a);
Land acquired for public undertakings (b);
Land being a park, garden, etc., or acquired for the amenity of dwelling-houses (c);

In all other cases of dispute where the Board are authorised by the Act or by any scheme to determine any matter it is at their option to determine it as arbitrators or otherwise (h).

If they elect or are required to determine it as arbitrators, the provisions of the Regulation of Railways Act, 1868, respecting arbitrations by the Board of Trade, and amending Acts, are to apply as if enacted in the statute of 1909 and made applicable to the Local Government Board (i). That is to say, the Local Government Board may appoint an arbitrator to act for them and fill his place in case of incapacity or death (k); may fix his remuneration (l); and the conduct of arbitrations and the awards, costs, etc., thereof must be regulated by ss. 18–29 of the Railway Companies Arbitration Act, 1859 (m).

and the authority may for such purposes borrow in the same manner and subject to the same provisions as for the purposes of those Acts; and the money so borrowed is not to be reckoned as part of the debt of a borough or urban district for the purpose of the limitation under the Public Health Act, 1875, s. 284 (2) and (8) (b).

London.—In London, expenses incurred by the county council are to be defrayed out of the general county rate, and money may be borrowed in the same manner as if borrowed for general county purposes (c).

As to Scotland, see later (d).

(2) The provision by a tenant for life, at his own expense, of dwellings available for the working classes on any settled land shall not be deemed to be an injury to any interest in reversion or remainder in that land; provided that the powers conferred upon a tenant for life by this subsection shall not be exercised by him without the previous approval in writing of the trustees of the settlement.

8. Donations for housing purposes.—A local authority may accept a donation of land or money or other property for any of the purposes of the Housing Acts, and it shall not be necessary to enrol any assurance with respect to any such property under the Mortmain and Charitable Uses Act, 1888 (51 & 52 Vict. c. 42).

9. Provisions with respect to money applicable under trusts for housing purposes.—(1) If in any case it appears to the Local Government Board that the institution of legal proceedings is requisite or desirable with respect to any property required to be applied under any trusts for the provision of dwellings available for the working classes, or that the expediting of any such legal proceedings is requisite or desirable, the Board may certify the case to the Attorney-General, and the Attorney-General, if he thinks fit,
shall institute any legal proceedings or intervene in any legal proceedings already instituted in such manner as he thinks proper under the circumstances.

(2) Before preparing any scheme with reference to property required to be applied under any trusts for the provision of dwellings available for the working classes, the court or body who are responsible for making the scheme shall communicate with the Local Government Board and receive and consider any recommendations made by the Board with reference to the proposed scheme.

(2) Before deciding that a local authority have failed to exercise their powers under Part III. of the principal Act, the Board shall take into consideration the necessity for further accommodation for the housing of the working classes in such district, the probability that the required accommodation will not be otherwise provided, and the other circumstances of the case, and whether, having regard to the liability which will be incurred by the rates, it is prudent for the local authority to undertake the provision of such accommodation.

(3) Where an order originally made under this section on the council of a county district is not complied with by that council, the Local Government Board may, if they think fit, with the consent of the county council, instead of enforcing that order against the council of the county district, make an order directing the county council to carry out any works or do any other things which are
mentioned in the original order for the purpose of remedying the default of the district council.

(4) Where the Board make an order under this section directing a county council to carry out any works or do any other thing, the order may, for the purpose of enabling the county council to give effect to the order, apply any of the provisions of the Housing Acts or of section sixty-three of the Local Government Act, 1894 (56 & 57 Vict. c 78), with such modifications or adaptations (if any) as appear necessary or expedient.

(5) An order made by the Local Government Board under this section shall be laid before both Houses of Parliament as soon as may be after it is made.

(2) Any order made by the Local Government Board under this section may be enforced by mandamus.

12. Powers of county council to act in default of rural district council under Part III. of the Principal Act.—

Where a complaint is made to the council of a county by the parish council or parish meeting of any parish comprised in any rural district in the county, or by any four inhabitant householders of that district, the county council may cause a public local inquiry to be held, and if, after holding such an inquiry, the county council are satisfied that the rural district council have failed to exercise their powers under Part III. of the principal Act in cases where those powers ought to have been exercised, the county council may resolve that the powers of the district council for the purposes of that Part be transferred to the county council with respect either to the whole district or to any parish in the district, and those powers shall be transferred accordingly, and, subject to the provisions of this Act, section sixty-three of the Local Government Act, 1894, shall apply as if the powers had been transferred under that Act.

13. Power of county council to exercise powers of rural district council under Part III. of the principal Act.—(1) Where the council of a county are of opinion that for any reason it

(2) Upon such an application being made, the Board may make an order conferring on the county council as respects the rural district all or any of the powers of a local authority under Part III. of the principal Act, and thereupon the provisions of the Housing Acts relating to those powers (including those enabling the Public Works Loan Commissioners to lend, and fixing the terms for which money may be lent and borrowed) shall apply as if the council were a local authority under Part III. of the principal Act: Provided that the expenses incurred by the county council under any such order shall be defrayed as expenses for general county purposes.

(3) Where, under any such order, the county council have executed any works in a rural district they may transfer the works to the council of that district on such terms and subject to such conditions as may be agreed between them.

(c) in the case of a house situate elsewhere, sixteen pounds;

there shall be implied a condition that the house is at the commencement of the holding in all respects reasonably fit for human habitation, but the condition aforesaid shall not be implied when a house or part of a house is let for a term of not less than three years upon the terms that it be put by the lessee into a condition reasonably fit for occupation, and the lease is not determinable at the option of either party before the expiration of that term.

15. Condition as to keeping houses let to persons of the working classes in repair.—(1) The last foregoing section shall, as respects contracts to which that section applies, take effect as if the condition implied by that section included an undertaking that the house shall, during the holding, be kept by the landlord in all respects reasonably fit for human habitation.

(2) The landlord or the local authority, or any person authorised by him or them in writing, may at reasonable times of the day, on giving twenty-four hours’ notice in writing to the tenant or occupier,
enter any house, premises, or building to which this section applies for the purpose of viewing the state and condition thereof.

(3) If it appears to the local authority within the meaning of Part II. of the principal Act that the undertaking implied by virtue of this section is not complied with in the case of any house to which it applies, the authority shall, if a closing order is not made with respect to the house, by written notice require the landlord, within a reasonable time, not being less than twenty-one days, specified in the notice, to execute such works as the authority shall specify in the notice as being necessary to make the house in all respects reasonably fit for human habitation.

(4) Within twenty-one days after the receipt of such notice the landlord may by written notice to the local authority declare his intention of closing the house for human habitation, and thereupon a closing order shall be deemed to have become operative in respect of such house.

(5) If the notice given by the local authority is not complied with, and if the landlord has not given the notice mentioned in the immediately preceding subsection, the authority may, at the expiration of the time specified in the notice given by them to the landlord, do the work required to be done and recover the expenses incurred by them in so doing from the landlord as a civil debt in manner provided by the Summary Jurisdiction Acts, or, if they think fit, the authority may by order declare any such expenses to be payable by annual instalments within a period not exceeding that of the interest of the landlord in the house, nor in any case five years, with interest at a rate not exceeding five pounds per cent. per annum, until the whole amount is paid, and any such instalments or interest or any part thereof may be recovered from the landlord as a civil debt in manner provided by the Summary Jurisdiction Acts.

SCHEDULES.

FIRST SCHEDULE.

Provisions as to the Compulsory Acquisition of Land by a Local Authority for the Purposes of Part III. of the Housing of the Working Classes Act, 1890.

(2) An order under this schedule shall be of no force unless and until it is confirmed by the Board, and the Board may confirm the order either without modification or subject to such modifications as they think fit, and an order when so confirmed shall, save as otherwise expressly provided by this Schedule, become final and have effect as if enacted in this Act; and the confirmation by the Board shall be conclusive evidence that the requirements of this Act have been complied with, and that the order has been duly made and is within the powers of this Act.

(3) In determining the amount of any disputed compensation under any such order, no additional allowance shall be made on account of the purchase being compulsory.

(4) The order shall be in the prescribed form, and shall contain such provisions as the Board may prescribe for the purpose of carrying the order into effect, and of protecting the local authority and the persons interested in the land, and shall incorporate, subject to the necessary adaptations, the Lands Clauses Acts (except section one hundred and twenty-seven of the Lands Clauses Consolidation Act, 1845) (8 & 9 Vict. c. 18), and sections seventy-seven to eighty-five of the Railway Clauses Consolidation Act, 1845, (8 & 9 Vict. c. 20), but subject to this modification, that any question of disputed compensation shall be determined by a single arbitrator appointed by the Board, who shall be deemed to be an arbitrator within the meaning of the Lands Clauses Acts, and the provisions of those Acts with respect to arbitration shall, subject to the provisions of this schedule, apply accordingly.
(5) The order shall be published by the local authority in the prescribed manner, and such notice shall be given both in the locality in which the land is proposed to be acquired, and to the owners, lessees, and occupiers of that land as may be prescribed.

(6) If within the prescribed period no objection to the order has been presented to the Board by a person interested in the land, or if every such objection has been withdrawn, the Board shall, without further inquiry, confirm the order, but, if such an objection has been presented and has not been withdrawn, the Board shall forthwith cause a public inquiry to be held in the locality in which the land is proposed to be acquired, and the local authority and all persons interested in the land and such other persons as the person holding the inquiry in his discretion thinks fit to allow shall be permitted to appear and be heard at the inquiry.

(7) Where the land proposed to be acquired under the order consists of or comprises land situate in London, or a borough, or urban district, the Board shall appoint an impartial person, not in the employment of any Government Department, to hold the inquiry as to whether the land proposed to be acquired is suitable for the purposes for which it is sought to be acquired, and whether, having regard to the extent or situation of the land and the purposes for which it is used, the land can be acquired without undue detriment to the persons interested therein or the owners of adjoining land, and such person shall in England have for the purpose of the inquiry all the powers of an inspector of the Local Government Board, and, if he reports that the land, or any part thereof, is not suitable for the purposes for which it is sought to be acquired, or that owing to its extent or situation or the purpose for which it is used it cannot be acquired without such detriment as aforesaid, or that it ought not to be acquired except subject to the conditions specified in his report, then, if the Local Government Board confirm the order in respect of that land, or part thereof, or, as the case may require, confirm it otherwise than subject to such modifications as are required to give effect to the specified conditions, the order shall be provisional only, and shall not have effect unless confirmed by Parliament.

Where no part of the land is so situated as aforesaid, before confirming the order, the Board shall consider the report of the person who held the inquiry, and all objections made thereof.

(9) The Board may, with the concurrence of the Lord Chancellor, make rules fixing a scale of costs to be applicable on an arbitration under this schedule, and an arbitrator under this schedule may,
notwithstanding anything in the Lands Clauses Acts, determine the amount of costs, and shall have power to disallow as costs in the arbitration the costs of any witness whom he considers to have been called unnecessarily and any other costs which he considers to have been caused or incurred unnecessarily.

(10) The remuneration of an arbitrator appointed under this schedule shall be fixed by the Board.

(11) In construing for the purposes of this schedule or any order made thereunder, any enactment incorporated with the order, this Act together with the order shall be deemed to be the special Act, and the local authority shall be deemed to be the promoters of the undertaking.

APPENDIX B.

HOUSING OF THE WORKING CLASSES ACT, 1890.

SECOND SCHEDULE.

Provisions with respect to the Purchase and Taking of Lands in England otherwise than by Agreement, and otherwise amending the Lands Clauses Acts.

Deposit of Maps and Plans.

1. The local authority shall as soon as practicable after the passing of the confirming Act cause to be made out, and to be signed by their clerk or some other principal officer appointed by them, maps and schedules of all lands proposed to be taken compulsorily (which lands are herein-after referred to as the scheduled lands), together with the names, so far as the same can be reasonably ascertained, of all persons interested in such lands as owners or reputed owners, lessees or reputed lessees, or occupiers.

2. The maps made by the local authority shall be upon such scale and be framed in such manner as may be prescribed by the confirming authority.

3. The local authority shall deposit such maps and schedules at the office of the confirming authority, and shall deposit and keep copies of such maps and schedules at the office of the local authority.

Appointment of Arbitrator.

4. After such deposit at the office of the confirming authority as aforesaid, it shall be lawful for the confirming authority, upon the application of the local authority, to appoint an arbitrator between the local authority, and the persons interested in such of the scheduled lands, or lands injuriously affected by the execution of such scheme, so far as compensation for the same has not been made the subject of agreement.

Proceedings on Arbitration.

5. Before any arbitrator enters upon any inquiry he shall, in the presence of a justice of the peace, make and subscribe the following declaration; that is to say,
“I A.B. do solemnly and sincerely declare, that I will faithfully "and honestly, and to the best of my skill and ability, hear and deter-"mine the matters referred to me under the provisions of the Housing "of the Working Classes Act, 1890.

A.B.

“Made and subscribed in the presence of
And such declaration shall be annexed to the award when made; and if any arbitrator, having made such declaration willfully act contrary thereto, he shall be guilty of a misdemeanour.

6. As soon as an arbitrator has been appointed as aforesaid, the confirming authority shall deliver to him the maps and schedules deposited at their office, and the local authority shall publish once in each of three successive weeks the following particulars:—

(1) The appointment of the arbitrator; and

(2) The deposit at the office of the local authority of the copies of such maps and schedules as aforesaid, with a description of the situation of such office, and a statement of the time at which such copies may be inspected by any person desirous of inspecting the same.

Such publication shall be made not only by advertisement, but also by placards and handbills affixed in conspicuous places on or near the lands to be taken, and also by leaving a notice thereof at each house proposed to be taken, and also by sending a notice thereof by post to the persons interested in such lands as owners or reputed owners, lessees or reputed lessees, so far as they can be reasonably ascertained.

7. In every case in which compensation is payable under Part I. of this Act, by the local authority to any claimant, and which compensation has not been made the subject of agreement (in this Act referred to as “a disputed case”), the arbitrator shall ascertain in such manner as he thinks most convenient the amount of compensation demanded by the claimant, and the amount which the local authority may be willing to pay; and after hearing all such parties interested in each disputed case as may appear before him at a time and place of which notice has been given as in Part I. of this Act mentioned, he shall proceed to decide on the amount of compensation to which he may consider the claimant to be entitled in each case.

8. The arbitrator shall give notice to the claimants in disputed cases by causing such notice to be published or otherwise in such manner as he thinks advisable, of a time and place at which the difference between the claimants and the local authority in disputed cases as to the amount of compensation to be paid will be decided by the arbitrator.

9. After the arbitrator has arrived at a decision on all the disputed cases brought before him he shall make an award under his hand and seal, and such award shall be final, and be binding and conclusive (subject to the provisions concerning an appeal herein-after contained) upon all persons whomsoever, and no such award shall be
set aside for irregularity in matter of form, but the arbitrator may and, if the local authority request him so to do, shall from time to time make an award respecting a portion only of the disputed cases brought before him.

10. Such award as aforesaid shall be deposited at the office of the confirming authority, and a copy thereof shall be deposited at the office of the local authority, and the local authority shall thereupon publish once in each of three successive weeks notice of the deposit having been made at the office of the local authority of a copy of the award, and a further notice requiring all persons claiming to have any right to or interest in the lands (the compensation to be paid in respect of which is ascertained by such award) to deliver to the local authority on or before a day to be named in such notice (such day not being earlier than twenty-one days from the date of the last publication of the notice), a short statement in writing of the nature of such claim, and a short abstract of the title on which the same is founded; and such statement and abstract shall be paid for by the local authority. Such abstract of title, in the case of a person claiming a fee simple interest in the land, shall commence twenty years previous to the date of the claim, except there has been an absolute conveyance on sale within twenty years, and more than ten years previous to the claim when the abstract shall commence with such conveyance.

Special Powers of Arbitration.

11. The arbitrator shall have the same power of apportioning any rent service rentcharge, chief or other rent, payment, or incumbrance, or any rent payable in respect of lands comprised in a lease, as two justices have under the Lands Clauses Consolidation Act, 1845.

12. Notwithstanding anything in section ninety-two of the Lands Clauses Consolidation Act, 1845, the arbitrator may determine that such part of any house, building, or manufactory as is proposed to be taken by the local authority can be taken without material damage to such house, building, or manufactory, and if he so determine may award compensation in respect of the severance of the part so proposed to be taken, in addition to the value of that part, and thereupon the party interested shall be required to sell and convey to the local authority such part, without the local authority being obliged to purchase the greater part or the whole of such house, building, or manufactory.

The local authority, or any person interested, if dissatisfied with a determination under this enactment, may, in manner provided with respect to appeals to a jury in respect of compensation for land by this schedule, submit the question of whether the said part can be taken without material damage, as well as the question of the proper amount of compensation, to a jury; and the notice of intention to appeal shall be given within the same time as notice of
intention to appeal against the amount of compensation awarded is required to be given.

13. The amount of purchase money or compensation to be paid in pursuance of section one hundred and twenty-four of the Lands Clauses Consolidation Act, 1845, in respect of any estate, right, or interest in or charge affecting any of the scheduled lands which the local authority have through mistake or inadvertence failed or omitted duly to purchase or make compensation for, shall be awarded by the arbitrator and be paid, in like manner, as near as may be, as the same would have been awarded and paid if the claim of such estate, right, interest, or charge had been delivered to the arbitrator before the day fixed for the delivery of statements of claims.

If the arbitrator is satisfied that the failure or omission to purchase the said estate, right, interest, or charge, arose from any default on the part either of the claimant or of the local authority, he may direct the costs to be paid by the party so in default.

Payment of Purchase Money.

14. Within thirty days from the delivery of such statement and abstract as aforesaid to the local authority, the local authority shall, where it appears to them that any person so claiming is absolutely entitled to the lands, estate, or interest claimed by him, deliver to such person, on demand, a certificate stating the amount of the compensation to which he is entitled under the said award.

15. Every such certificate shall be prepared by and at the cost of the local authority; and where any agreement has been entered into as to the compensation payable in respect of the interest of any person in any lands, the local authority may, where it appears to them that such person is absolutely entitled, deliver to such person a like certificate.

16. The local authority shall, thirty days after demand, pay to the party to whom any such certificate is given, or otherwise as herein provided in the cases herein-after mentioned, the amount of moneys specified to be payable by such certificate to the party to whom or in whose favour such certificate is given, his or her executors, administrators, or assigns.

17. If the local authority wilfully make default in such payment as aforesaid, then the party named in such certificate shall be entitled to enter up judgment against the local authority in the High Court, for the amount of the sums specified in such certificate, in the same manner in all respects as if he had been, by warrant of attorney from the local authority, authorised to enter up judgment for the amount mentioned in the certificate, with costs, as is usual in like cases; and all moneys payable under such certificates, or to be recovered by such judgments as aforesaid, shall at law and in equity be taken as personal estate as from the time of the local authority entering on any such lands as aforesaid.
18. When and so soon as the local authority have paid to the party to whom any such certificate as aforesaid is given, or otherwise, as herein provided, in the cases herein-after mentioned, the amount specified to be payable by such certificate to the party to whom or in whose favour the certificate is given, his executors, administrators, or assigns, it shall be lawful for the local authority, upon obtaining such receipt as herein-after mentioned, from time to time to enter upon any lands in respect of which such certificate is given, and thenceforth to hold the same for the estate or interest in respect of which the amount specified in such certificate was payable.

19. In every case in which any moneys are paid by any local authority under this Act, for such compensation as aforesaid, the party receiving such moneys shall give to the local authority a receipt for the same, and such receipt shall have the effect of a grant, release, and conveyance of all the estate and interest of such party, and of all parties claiming under or through him, in the lands in respect of which such moneys are paid, provided such receipt has an ad valorem stamp of the same amount impressed thereon in respect of the purchase moneys mentioned in such certificate as would have been necessary if such receipt had been an actual conveyance of such estate or interest, every such receipt to be prepared by and at the cost of the local authority.

20. If it appear to the local authority, from any such statement and abstract as aforesaid, or otherwise, that the person making any such claim as aforesaid is not absolutely entitled to the lands, estate, or interest in respect of which his claim is made, or is under any disability, or if the title to such lands, estate, or interest be not satisfactorily deduced to the local authority, then and in every such case the amount to be paid by the local authority in respect of such lands, estate, or interest as aforesaid shall be paid and applied as provided by the clauses of the Lands Clauses Consolidation Act, 1845, as amended by the Court of Chancery Funds Act, 1872, "with respect to the purchase money or compensation coming to parties having limited interests, or prevented from treating, or not making title."

Note.—Any purchase money or compensation payable under the Housing Acts by a local authority in respect of any lands, estate, or interest of another local authority may, if the Local Government Board consent, instead of being paid into court, be paid and applied as the Board determine ((1909) s. 5 (1)), and such determination is final and inclusive (ibid., s. 5 (2)).

21. Where any person claiming any right or interest in any lands refuses to produce his title to the same, or where the local authority have under the provisions of Part I. of this Act taken possession of any lands in respect of the compensation whereof, or of any estate or interest wherein, no claim has been made within one year from the time of the local authority taking possession, or if any party to whom any such certificate has been given or tendered
refuses to receive such certificate, or to accept the amount therein specified as payable to him, then and in any such case the amount payable by the local authority in respect of such lands, estate, or interest, or the amount specified in such certificate, shall be paid into the Bank of England, in manner provided by the last-mentioned clauses of the Lands Clauses Consolidation Act, 1845, as amended by the Court of Chancery Funds Act, 1872, and the amount so paid into the said Bank shall be accordingly dealt with as by the said Act provided.

22. Nothing herein contained shall prevent the local authority from requiring any further abstract or evidence of title respecting any lands included in any such award as aforesaid, in addition to the abstract or statement herein-before mentioned, if they think fit, so as the same be obtained at the cost of the local authority.

23. If from any reason whatever the local authority does not deliver the certificate aforesaid to any party claiming to be entitled to any interest in any lands the possession whereof has been taken by the local authority as aforesaid, then the right to have a certificate according to the provisions of this Act may, at the cost and charge of the local authority, be enforced by any party or parties, by application to the High Court, in a summary way by petition, and all other rights and interests of any party or parties arising under the provisions of this Act may be in like manner enforced against the local authority by such application as aforesaid.

**Entry on Lands on making Deposit.**

24. Where the local authority are desirous, for the purposes of their works, of entering upon any lands before they would be entitled to enter thereon under the provisions herein-before contained, it shall be lawful for the local authority, at any time after the arbitrator has framed his award, upon depositing in the Bank of England such sum as the arbitrator may certify to be in his opinion the proper amount to be so deposited in respect of any lands authorised to be purchased or taken by the local authority, and mentioned in such award, to enter upon and use such lands for the purposes of the improvement scheme of the local authority; and the arbitrator shall, upon the request of the local authority at any time after he has framed such award, certify under his hand the sum which, in his opinion, should be so deposited by the local authority in respect of any lands mentioned in such award before they enter upon and use the same as aforesaid, and the sum to be so certified shall be the sum or the amount of the several sums set forth in such award as the sum or sums to be paid by the local authority in respect of such lands, or such greater amount as to the arbitrator, under the circumstances of the case, may seem proper; and, notwithstanding such entry as aforesaid, all proceedings for and in relation to the completion of the award, the delivery of certificates, and other
proceedings under Part I. of this Act, shall be had, and payments made, as if such entry and deposit had not been made;

Provided that the local authority shall, where they enter upon any lands by virtue of this present provision, pay interest at the rate of five pounds per centum per annum upon the compensation money payable by them in respect of any lands so entered upon, from the time of their entry until the time of the payment of such money and interest to the party entitled thereto, or where, under the provisions of Part I. of this Act, such compensation is required to be paid into the Bank of England, then until the same, with such interest, is paid into such Bank accordingly; and where under this provision interest is payable on any compensation money the certificate to be delivered by the local authority in respect thereof shall specify that interest is so payable, and the same shall be recoverable in like manner as the principal money mentioned in such certificate.

25. The money so deposited as last aforesaid shall be paid into the Bank of England to such account as may from time to time be directed by any regulation or Act for the time being in force in relation to moneys deposited in the bank in similar cases, or to such account as may be directed by any order of the High Court, and remain in the bank by way of security to the parties interested in the lands which have been so entered upon for the payment of the money to become payable by the local authority in respect thereof under the award of the arbitrator; and the money so deposited may, on the application by petition of the local authority, be ordered to be invested in Bank Annuities or Government securities, and accumulated; and upon such payment as aforesaid by the local authority it shall be lawful for the High Court, upon a like application, to order the money so deposited, or the funds in which the same shall have been invested, together with the accumulation thereof, to be repaid or transferred to the local authority, or, in default of such payment as aforesaid by the local authority, it shall be lawful for the said court to order the same to be applied in such manner as it thinks fit for the benefit of the parties for whose security the same shall so have been deposited.

Appeal.

26. In the following cases, namely,—

(a) Where the party named in any certificate issued under the provisions hereinbefore contained of the amount of the compensation ascertained by any award under Part I. of this Act (or any party claiming under the party so named) is dissatisfied with the amount in such certificate certified to be payable, and such amount exceeds one thousand pounds, and

(b) Where any party claiming any interest in any moneys so paid into court as aforesaid is dissatisfied with the amount of
the price or compensation in respect of which such monies are paid into court, and such amount exceeds one thousand pounds; also

the party dissatisfied may, upon obtaining the leave of the High Court, which leave may be granted by such court or any judge thereof at chambers in a summary manner, and upon being satisfied that a failure of justice will take place if the leave is not granted, submit the question of the proper amount of compensation to a jury, provided that such party give notice in writing to the other party of their intention to appeal within ten days after the cause of appeal has arisen.

(1) Where the local authority appeals that authority shall be deemed to be the plaintiff and the party entitled to compensation to be the defendant; and

(2) Where the party claiming compensation appeals, then, in case the verdict of the jury is for a sum exceeding the award of the arbitrator, the local authority shall pay to such party the costs of the trial, such costs to be taxed and ascertained in the same manner as costs are by law ascertained on the trial of issues tried in the High Court; but in case the verdict of the jury is for a sum not exceeding the award of the arbitrator, the party appealing shall pay to the local authority the costs of the trial to be taxed and ascertained in manner aforesaid.

(3) Where the local authority is the appellant,—

(a) Notwithstanding the verdict of the jury may be for a sum less than that awarded by the arbitrator, the local authority shall pay to the other party such

Costs of Arbitration.

28. The salary or remuneration, travelling, and other expenses of the arbitrator, and all costs, charges, and expenses (if any) which may be incurred by the confirming authority in carrying the provisions of Part I. of this Act into execution, shall, after the amount thereof shall have been certified under this article, be paid by the local authority; and the amount of such costs, charges, and expenses shall from time to time be certified by the confirming authority after first hearing any objections that may be made to the reasonableness of any such costs, charges, and expenses by or on behalf of the local authority; and every certificate of the said confirming authority certifying the amount of such costs, charges, and expenses shall be taken as proof in all proceedings at law or in equity of the amount of such respective costs, charges, and expenses, and the amount so certified shall be a debt due from the local authority to the Crown, and shall be recoverable accordingly.

Further, any such certificate may be made a rule of a superior court on the application of any party named therein, and may be enforced accordingly.

29.—(1) It shall be lawful for the arbitrator, where he thinks fit, upon the request of any party by whom any claim has been made before him, to certify the amount of the costs properly incurred by such party in relation to the arbitration, and the amount of the costs so certified shall be paid by the local authority;

Provided that—

(a) The arbitrator shall not be required to certify the amount of costs in any case where he considers such costs are not properly payable by the local authority;

(b) The arbitrator shall not be required to certify the amount of costs incurred by any party in relation to the arbitration, in any case where he considers that such party neglected, after due notice from the local authority, to deliver to that authority a statement in writing within such time, and
containing such particulars respecting the compensation claimed, as would have enabled the local authority to make a proper offer of compensation to such party before the appointment of the arbitrator.

(c) No certificate shall be given where the arbitrator has awarded the same or a less sum than has been offered by the local authority in respect of the claim before the appointment of the arbitrator.

(2) If within seven days after demand the amount certified be not paid to the party entitled to receive the same, such amount shall be recoverable as a debt from the local authority with interest at the rate of five per cent. per annum for any time during which the same remains unpaid after such seven days as aforesaid.

Miscellaneous.

30. The arbitrator may call for the production of any documents in the possession or power of the local authority, or of any party making any claim under the provisions of Part I. of this Act, which such arbitrator may think necessary for determining any question or matter to be determined by him under Part I. of this Act, and may examine any such party and his witnesses, and the witnesses for the local authority, on oath, and administer the oaths necessary for that purpose.

31. If any arbitrator appointed in pursuance of Part I. of this Act die, or refuse, decline, or become incapable to act, the confirming authority may appoint an arbitrator in his place, who shall have the same powers and authorities as the arbitrator first appointed; and upon the appointment of any arbitrator in the place of an arbitrator dying, or refusing, declining, or becoming incapable to act, all the documents relating to the matter of the arbitration which were in the possession of such arbitrator shall be delivered to the arbitrator appointed in his place, and the local authority shall publish notice of such appointment in the London Gazette.

Note.—Other publications may suffice. See (1909) s. 48, and p. 105, ante.

32. All notices required by this schedule to be published shall be published in some one and the same newspaper circulating within the jurisdiction of the local authority, and where no other form of service is prescribed all notices required to be served or given by the local authority under this schedule or otherwise upon any persons interested in or entitled to sell lands, shall be served in manner in which notices of lands proposed to be taken compulsorily for the purpose of an improvement scheme are directed by Part I. of this Act to be served upon owners or reputed owners, lessees or reputed lessees, and occupiers.
Application of Schedule to Scotland.

The provisions of this schedule shall apply to Scotland, with the following modifications:—

33.—(a) In any reference in this schedule to, "an abstract of title" there shall be substituted "a legal progress of the title deeds":

(b) In articles sixteen and eighteen of this schedule the words "heirs, executors, or assignees" shall be substituted for the words "executors, administrators, or assigns":

(c) In articles twenty and twenty-one the words "as amended by the Court of Chancery Funds Act, 1872," shall be omitted:

(d) Any reference to payment of money into the Bank of England shall be construed to be payment into any one of the incorporated or chartered banks of Scotland:

(e) Any reference to the High Court shall be construed as a reference to the Court of Session:

(f) Any money ordered to be invested under article twenty-five of this schedule shall be invested only in Government securities:

(g) Any reference to payment of money into Court shall be construed as payment into bank:

(h) A reference to plaintiff and defendant shall be construed as a reference to pursuer and defender:

(i) The Edinburgh Gazette shall be substituted for the London Gazette.

Note.—See note to paragraph 81.

34. In lieu of articles 11, 17, and 19 of this schedule the following provisions shall be substituted:—

(i.) The arbitrator shall have the same power of apportioning any feu duty, ground annual, casualty or superiority, or any rent or other annual or recurring payment or incumbrance, or any rent payable in respect of lands comprised in a lease, as the sheriff has under the Lands Clauses Consolidation (Scotland) Act, 1845.

(ii.) If the local authority wilfully make default in such payment as aforesaid, then the party named in such certificate shall be entitled to record the same in the books of council and session, or other judge's books competent, and to have a decree interposed thereto, and to be extracted with a view to execution, in the like manner as if a formal clause of registration had been contained therein; and all diligence and execution shall be competent thereon in the like manner and to all effects as upon any bond containing such formal clause of registration; and all moneys payable under such certificates, or to be recovered by such execution and diligence as aforesaid, shall be taken as personal estate as
from the time of the local authority entering on any such lands as aforesaid.

(iii.) In every case in which any moneys are paid by any local authority under this Act for such compensation as aforesaid, the party receiving such moneys shall give to the local authority a conveyance of the lands in respect of which such moneys are paid, or of all the estate and interest of such party, and of all parties claiming under or through him, in such lands, and every such conveyance shall be prepared by and at the costs of the local authority.
APPENDIX C.

HOUSING OF THE WORKING CLASSES ACT, 1908.

SCHEDULE.

1. If in the administrative county of London or in any borough or urban district, or in any parish not within a borough or urban district, the undertakers have power to take under the enabling Act working-men's dwellings occupied by thirty or more persons belonging to the working class, the undertakers shall not enter on any such dwellings in that county, borough, urban district, or parish, until the Local Government Board have either approved of a housing scheme under this schedule or have decided that such a scheme is not necessary.

For the purposes of this schedule a house shall be considered a working-man's dwelling if wholly or partially occupied by a person belonging to the working classes, and for the purpose of determining whether a house is a working-man's dwelling or not, and also for determining the number of persons belonging to the working classes by whom any dwelling-houses are occupied, any occupation on or after the fifteenth day of December next before the passing of the enabling Act, or, in the case of land acquired compulsorily under a general Act without the authority of an order, next before the date of the application to the Local Government Board under this schedule, for their approval of or decision with respect to a housing scheme, shall be taken into consideration.

**Note.**—In applying the schedule to Scotland, the expression "district within the meaning of the Public Health (Scotland) Act, 1897," is to be substituted for the expressions "borough," "urban district," and "parish" respectively; and "Local Government Board for Scotland," for "Local Government Board" ((1909), s. 53 (10) and Schedule III.).

2. The housing scheme shall make provision for the accommodation of such number of persons of the working class as is, in the opinion of the Local Government Board, taking into account all the circumstances, required, but that number shall not exceed the aggregate number of persons of the working class displaced; and in calculating that number the Local Government Board shall take into consideration not only the persons of the working class who are occupying the working-men's dwellings which the undertakers have power to take,
but also any persons of the working class who, in the opinion of the Local Government Board, have been displaced within the previous five years in view of the acquisition of land by the undertakers.

3. Provision may be made by the housing scheme for giving undertakers who are a local authority, or who have not sufficient powers for the purpose, power for the purpose of the scheme to appropriate land or to acquire land, either by agreement or compulsorily under the authority of a Provisional Order, and for giving any local authority power to erect dwellings on land so appropriated or acquired by them, and to sell or dispose of any such dwellings, and to raise money for the purpose of the scheme as for the purposes of Part III. of the principal Act, and for regulating the application of any money arising from the sale or disposal of the dwellings; and any provisions so made shall have effect as if they had been enacted in an Act of Parliament.

4. The housing scheme shall provide that any lands acquired under that scheme shall, for a period of twenty-five years from the date of the scheme, be appropriated for the purpose of dwellings for persons of the working class, except so far as the Local Government Board dispense with that appropriation; and every conveyance, demise, or lease of any such land shall be endorsed with notice of this provision, and the Local Government Board may require the insertion in the scheme of any provisions requiring a certain standard of dwelling-house to be erected under the scheme, or any conditions to be complied with as to the mode in which the dwelling-houses are to be erected.

Norm.—In applying to Scotland substitute for "every conveyance, etc., provision," the words "every such appropriation of lands shall be recorded as a real burden affecting such lands in the appropriate register of sasines" ((1909), s. 58 (10) and Schedule III.).

5. If the Local Government Board do not hold a local inquiry with reference to a housing scheme, they shall, before approving the scheme, send a copy of the draft scheme to every local authority, and shall consider any representation made within the time fixed by the Board by any such authority.

6. The Local Government Board may, as a condition of their approval of a housing scheme, require that the new dwellings under the scheme, or some part of them, shall be completed and fit for occupation before possession is taken of any working-men's dwellings under the enabling Act.

7. Before approving any scheme the Local Government Board may if they think fit require the undertakers to give such security as the Board consider proper for carrying the scheme into effect.

8. The Local Government Board may hold such inquiries as they think fit for the purpose of their duties under this schedule, and subsections one and five of section eighty-seven of the Local Government Act, 1888 (which relate to local inquiries), shall apply
for the purpose, and where the undertakers are not a local authority shall be applicable as if they were such an authority.

Note.—In applying to Scotland, substitute for the reference to the Local Government Act, 1889, “subsections one and three (with the substitution of the Local Government Board for Scotland for the Secretary for Scotland) of section 93 of the Local Government (Scotland) Act, 1889” ((1909) s. 58 (10) and Schedule III.).

9. If the undertakers enter on any working men’s dwelling in contravention of the provisions of this schedule, or of any conditions of approval of the housing scheme made by the Local Government Board, they shall be liable to a penalty not exceeding five hundred pounds in respect of every such dwelling:

Any such penalty shall be recoverable by the Local Government Board by action in the High Court, and shall be carried to and form part of the Consolidated Fund.

Note.—In applying to Scotland, substitute “Court of Session” for “High Court” ((1909), s. 58 (10) and Schedule III.).

10. If the undertakers fail to carry out any provision of the housing scheme, the Local Government Board may make such order as they think necessary or proper for the purpose of compelling them to carry out that provision, and any such order may be enforced by mandamus.

Note.—In applying to Scotland, for “mandamus” substitute “order of the Court of Session on the application of the Board” ((1909), s. 58 (10) and Schedule III.).

11. The Local Government Board may, on the application of the undertakers, modify any housing scheme which has been approved by them under this Schedule, and any modifications so made shall take effect as part of the scheme.

12. For the purpose of this schedule—

(a) The expression “undertakers” means any authority, company, or person who are acquiring land compulsorily or by agreement under any local Act or Provisional Order or order having the effect of an Act, or are acquiring land compulsorily under any general Act:

(b) The expression “enabling Act” means any Act of Parliament or Order under which the land is acquired:

(c) The expression “local authority” means the council of any administrative county and the district council of any county district, or, in London, the council of any metropolitan borough, in which in any case any houses in respect of which the re-housing scheme is made are situated, or in the case of the city the common council:

(d) The expression “dwelling” or “house” means any house or part of a house occupied as a separate dwelling:
(c) The expression "working class" includes mechanics, artisans, labourers, and others working for wages; hawkers, costermongers, persons not working for wages, but working at some trade or handicraft without employing others, except members of their own family, and persons other than domestic servants whose income in any case does not exceed an average of thirty shillings a week, and the families of any of such persons who may be residing with them.

Note.—In applying to Scotland provision (c), substitute for the words "council of any administrative . . . in which" the words "local authority for the purposes of the Public Health (Scotland) Act, 1897, in whose district" ((1908), s. 58 (10) and Schedule III.).
